

AMIKA

GENERAL INFORMATION

London's prestigious High Street Kensington plays host to a new super elite, acutely vogue concept in members club. A unique playground for the extravagant, designed for affable debauchery and indulgent fun, without pretentiousness but exuding an abundance of class and style, Amika is the ultimate destination for major players and glitterati alike.

Amika's custom designed decor strikes appeal with a sleek and chic, uber cool and almost futuristic looking body complimented with the timeless elegance of historical high glamour though infusions of impossibly large chandeliers and stylish finishes

Internationally acclaimed designer Gordon Winston side-tracked the standard route and regular members club design mode, intent on creating a brand new mould, a space to influence and inspire.

Main Club

The main club area is contained by slick black plasma walls, glittering and exquisite black marble flooring and amazing high ceilings, ornamented with overwhelming chandelier adornments. Raised tables, varying in price, overlook the bed of the club allowing guests to soak up the full ambience and providing a stage creating VIP's amongst guests. The finest Bose sound systems and an array of revered international DJ's provide the perfect soundtrack to a memorable club experience.

Champagne Lounge

For those ascribed the privilege, the members only champagne lounge awaits behind automatic sliding frosted glass doors, with one way viewing, allowing those granted entry to view the external adventures but providing a completely private area for very special guests to relax and enjoy away from prying eyes. A vast array of fine champagnes, priced up to 10k, some of which have never been seen on British soil, are available for those who truly appreciate, served with complimentary accompaniment of sumptuous lobster and fresh fruit canapés

Cocktail Bar

The cocktail bar provides an area of relaxation and retrieve, where guests are catered to by the resident mixologist and dazzled by the skills of in house flarers.
