

PAPER AND GLASS

GENERAL INFORMATION

Paper is a new 700 capacity art deco inspired club and restaurant. Glass, a boutique cocktail lounge situated above Paper is set to launch in Piccadilly on the 8th of February 2006.

With a main club area, two bars, a dining room, a cigar room and a VIP lounge decorated entirely in white and newsprint, Paper is set to be the ultimate 'ultra-club'. Paper's sister bar, Glass, is a stunning venue in its own right; with stark, ebony walls, black glass chandeliers and jet glass surfaces providing a striking contrast to the heavenly palette that is prominent in the main club.

The overall feel of both Paper and Glass is one of timeless elegance and vintage opulence; captured in sleek black and glossy white, with smooth surfaces, mirrors and classical furniture. No expense has been spared with overall transformed coming to over £750,000. As well as being architecturally creative, to maximise the space across the club, Paper and Glass are stunning for their interior design, which has been directed by Zena Prawl. The entire basement level of Paper is parchment white, with a long, mirrored Parisian style bar stretching across the venue to a lavish dining room.

Three bespoke VIP suites have also been created: The Press Room, The Bed Room and the V.U.P Lounge (Very Untouchable People Lounge):

The Press Room – a 70 capacity private room that looks on to the dance floor, The Press Room is plastered from floor to ceiling with the century's most iconic newspaper and magazine headlines, pictures and portraits.

The Bed Room – The Bed Room is a seductive, plum and damson boudoir filled with three double beds, each of which may be roped off for private parties. Each bed is made with the most opulent sheets and comes with its own side tables and bedside lights to emulate the luxury of a five star hotel bedroom. The Bed Room also comes with its own private bar.

The V.U.P Lounge – This third room in its trilogy of private lounges is a VIP room that is a cut above the rest. Known as the Very Untouchable People lounge, the V.U.P room at Paper provides the ultimate in comfort and privacy. A secret tunnel to Regent Street ensures that guests may come and go without being seen whilst one-way hall lighting means that any guests within the V.U.P Lounge's hallowed walls can see everything happening in the club, without anyone else seeing them. Stocked by Dunhill, the V.U.P lounge features a cabinet of over 1,000 handpicked Dunhill cigars collectively worth over £15,000 and comes with its own safe to which guests are given a jewelled key.

The Restaurant – With a capacity for 100 covers every evening, the restaurant at Paper aims to offer traditional, homely British cuisine with a posh twist. The Restaurant at Paper will be open from 7.30pm til 11pm every Friday and Saturday and it may be reserved for private group bookings from Monday to Thursday.
