

# TAMARAI

## GENERAL INFORMATION

Like a blooming Lotus, Tamarai transforms into magical moods and multiple modes at different times. Tamarai offers a fine dining restaurant, a perfect place for business meetings, lunches & screenings, a digital art gallery, a photography arcade, a lazy lounge and a throbbing bar that turns into a night club.

### The Lotus Lounge:

This private dining area of Tamarai is a statement in understated elegance. A plush mix of leather panelled walls, offset against the pink lotus upholstery, embellished with the finest embroidery with a sprinkling of crystals. The perfect setting for a private lunch or dinner making it an ideal venue for corporate or informal receptions.

### The Gallery:

The piece de resistance of Tamarai is its digital Art Gallery. The Gallery offers the visitor an esoteric experience in visual and video art along with an exemplary culinary experience. It is an alternative video exhibition space for showcasing visual arts and photography (through a mix of large and small screens) and also for new media and digital art. The Art Corridor leading to it is ideal for photo exhibits. The Gallery metamorphose into a screening room.

### The Bar and Club:

The crystals encased in the rich ebony panelling in the bar change colours to complement the mood. With multiple screens and the twinkling ceiling above the dance floor, this is one of the leading video destinations.
